### 2021 Teacher Job Description

Silicon Valley Education Foundation has been partnering with school districts since 2008 to offer Elevate [Math], a yearly summer intervention program to prepare student to successfully complete their next level Common Core math course. Elevate [Math]’s goal is to support “nearly meeting standard” students in their college and career pathway.

**Elevate [Math] offers programs for rising 3rd - 10th graders.**

### Elevate Every Summer!

| Professional Development | 1. Program Training (24 hours)  
Must attend all pre-program training.  
**Dates and times coming soon**  
2. Professional Learning Communities (6 hours)  
Meet with your Elevate [Math] coach and other teachers online to share common classroom misconceptions and learn best practices.  
3. Continuing Education Units (2 units)  
Earn up to two CEUs for attending PD |
|---|---|
| Program Times | The 19-day (3rd-8th grade) and 24-day (9th-10th grade) programs will run approximately **mid-June through end of July**.  
Each session runs on average for 3.5-5 hours a day, but are determined by district needs |
| Location | Each class is held at a specific site determined by each district in-person learning or virtually. **Please indicate on the application if you are open to in-person and/or virtual** |
| Compensation | **Elementary & Middle School Programs:** $5700 (payroll taxes apply)  
**High School Programs:** $5700-$7200 depending upon how many hours the classes are (payroll taxes apply)  
*Full compensation includes fulfillment of all PD and PLC dates, daily instruction, and required logistics.*  
**Referral Bonus:** Receive a $100 bonus if a referred teacher completes the summer program.  
**Early Signing Bonus:** Sign up by January 10th, 2021 of a $50 Amazon gift card |
Why Elevate [Math]

- Help students prepare for success in math using curriculum that closely aligns with Common Core State Standards and Smarter Balance testing.
- Learn and practice different instructional strategies and use a blended learning model.
- Professional development offers new tools and strategies for Common Core teaching.

Responsibilities | Duties

- Oversee and provide instruction for a classroom
- Ensure meeting of goals for increasing student math understanding, building study skills, and strengthening aspirations for college
- Facilitate the pre-post assessment plan, attitudinal surveys, and other assessments for teachers and students
- Integrate technology to strengthen access to online curriculum and tools
- Track attendance and communicate students’ attendance concerns with families and Elevate [Math] staff
- Pick up supplies from our office in San Jose, CA if classes are in-person

Qualifications | Background

- California Teaching Credential (preferably in math and/or science)
- District-specific fingerprinting may be required. Costs will be reimbursed by SVEF.
